

**FALL GREETINGS
FROM
THE HOTELS
AT
FAGER'S ISLAND**

**FALL is a magical time at the beach!
The days are sunny and crisp. The night skies are like black
velvet with millions of tiny diamonds.
It is definitely the time to enjoy Ocean City
and its beautiful expansive beaches.**

**Whether golfing, sailing, birding, hiking or biking, you can't
ask for a more favorable environment.
Assateague National Seashore is at its most
scenic with the wild ponies leisurely romping the beaches
and the multitude of beach birds enjoying
the quiet solitude of Fall.**

**This is the perfect time for an escape
and the perfect place is
The Lighthouse Club or The Edge Hotel.
Each hotel offers a panoramic view of
The Isle of Wight Bay which is
especially romantic and dramatic at sunset.**

**The Lighthouse Clubroom has a comfortable traditional and
relaxed atmosphere with a commanding view of the bay.
The Wrap-Around Porch with pairs of white wooden rockers
affords you a relaxing respite at sunset to enjoy a glass of wine
and a spectacular light show.**

Inside, a fireplace surrounded by leather wing chairs and an honor bar provide time for conversation or quiet time to spend with The NY Times current best seller.

Have a game of cards or challenge someone to a round of scrapple.

Enjoy Starbucks Coffee all day; warm freshly baked cookies every afternoon and a late afternoon/evening honor bar with wine and beer.

Your day should be filled with commitments to sleep late, enjoy a leisurely breakfast, take a stroll on the beach and then, perhaps, a nap.

A Lunch of Crab Cakes & a fine wine can start your afternoon adventure with friends or your favorite traveling companion.

Talk away the afternoon or shop, visit a museum or two, or settle back and just relax by the fireplace.

The time is yours and the day is only half over.

Cocktails and Dinner at Fager's Island fine dining is a must on your list of things to do!

Live bands as well as DJs entertain every weekend during the Fall and Winter.

This Fall, we have created some exciting new experiences for your traveling pleasure.
