**THE HOTELS AT FAGER'S ISLAND
The Lighthouse Club Hotel & The Edge
Ocean City, MD**

Summer is off to an amazing start here at Fager's Island.

**We have already had countless perfect beach days, with many more
guaranteed to follow.**

**The restaurant at Fager's Island is providing exceptional entertainment
every night, featuring everything from Jazz Brunch on Sundays to the
hottest local DJ's and live bands.**

**The shorebirds are enjoying the bay almost as much as the kayakers,
and our osprey couple is carefully tending this year's hatchlings!**

**This is definitely an excellent time of year for birding, be sure to bring
your binoculars.**

Things at the Hotels are heating up as well.

**Everyone enjoys being greeted by our friendly and helpful bell staff,
especially because they come equipped with our infamous White Sangria.**

**And the selection of afternoon cookies is continually exciting, with the
feature this week being Heath Bar Cookies and Triple Chocolate Chunk
Cookies.**

Furthermore, Ayer's Creek Adventures is hosting wonderful kayak tours directly from the Club Room at The Lighthouse. Guests are invited to enjoy exciting sunset adventures, followed by wine and cheese, as well as breathtaking early morning tours, which are spent exploring the wetlands surrounding the hotels.

Along with these thrilling offerings, visitors to Fager's Island are also enjoying relaxing by the beautiful pool at The Edge, spending time with friends over a glass of wine or two in our Clubroom, and watching the local clammers and crabbers search the bay for their dinner. Another favorite is just relaxing in our luxurious suites. The private decks, many of which overlook the bay, are the perfect place to enjoy our continental breakfast or an afternoon cocktail. And the sunsets from the deck at The Lighthouse just keep getting better. Or enjoy the sunset from the Fager's Island Restaurant, which is just a short walk over a beautiful footbridge away- no need to worry about Ocean City parking. To conclude the night, our Evening Turndown Service will prepare your room for your return from a long day of vacationing; visitors take pleasure in coming back to a candle lit room, a turned down bed, and chocolates awaiting them. The perfect end to what is sure to be a wonderful day.

And this year The Town of Ocean City has more to offer than ever before.

A huge attraction this summer is Ocean City's 6 Free Nights. These family friendly events range from Bonfires on the Beach to Movies Under the Stars to Sundaes in the Park. Running six nights a week, these free events are drawing quite a crowd!

Other upcoming events sure to draw a crowd are the Polish Festival on July 28th, the Chincoteague Pony Swim and Auction on July 28th, 29th, and 30th, the White Marlin Open from August 2nd to the 6th, and the Greek Festival on August 25th.

Furthermore, Ocean City was recently honored with placement on Maryland's Blue Crab Byway, which is referenced in Governor O'Malley's "Visit Maryland Interactive Map", a guide to experiencing everything that Maryland has to offer.

**Another bustling town with plenty to offer is Berlin, home to our sister property The Atlantic Hotel. Berlin's usual fare of art galleries, antique shops, restaurants, historic buildings, boutiques, a coffee house, and a tea room is enough to keep any traveler busy.**

**An excellent time to experience all of these offerings is during Berlin's Second Friday Art Stroll Celebrations. The Second Friday of every month brings musicians to the streets, specials to the restaurants, and crowds to the sidewalks as locals and tourists alike visit the shops along Berlin's Main Street, which extend their hours for this special evening. There is also a Farmer's Market featuring fresh, locally produced (or caught!) vegetables, jams, flowers, and seafood. This market provides a healthy alternative of food that has come straight from the farm and out of the local waterways to downtown Berlin. Many people take the opportunity while shopping to chat with local farmers; there's even the possibility of picking up some classic Eastern Shore recipes.**

**While in Berlin, be sure to visit The Drummer's Café, located within The Atlantic Hotel. Named after the traveling salesmen who frequented the hotel in its earliest days, Drummer's offers exquisite food and drink, as well as a beautiful atmosphere to enjoy them in. Many guests take their meals on the screened porch overlooking Main Street, which is perfect for luncheons and leisurely dinners.**
